

From Windsor

From either the Bridge or the Tunnel come from Windsor along the E.C. Row Expressway. The Expressway turns into County Road 22 after leaving Windsor. Just follow County Road 22 to Belle River. As you arrive in Belle River continue straight through the stoplight (stopping if it is red of course <grin>)... and you will find Mr. BIGGS on the left side at the corner of Notre Dame and Eighth Street.

From Toronto

Turn right as you exit Highway 401 at Belle River Road. Continue north until you get to the second stoplight. Congratulations you are now at the "T" intersection of Belle River Road and Notre Dame Street in downtown Belle River. Turn right and go along Notre Dame Street and you will find Mr. BIGGS on the left side at the corner of Notre Dame and Eighth Street.

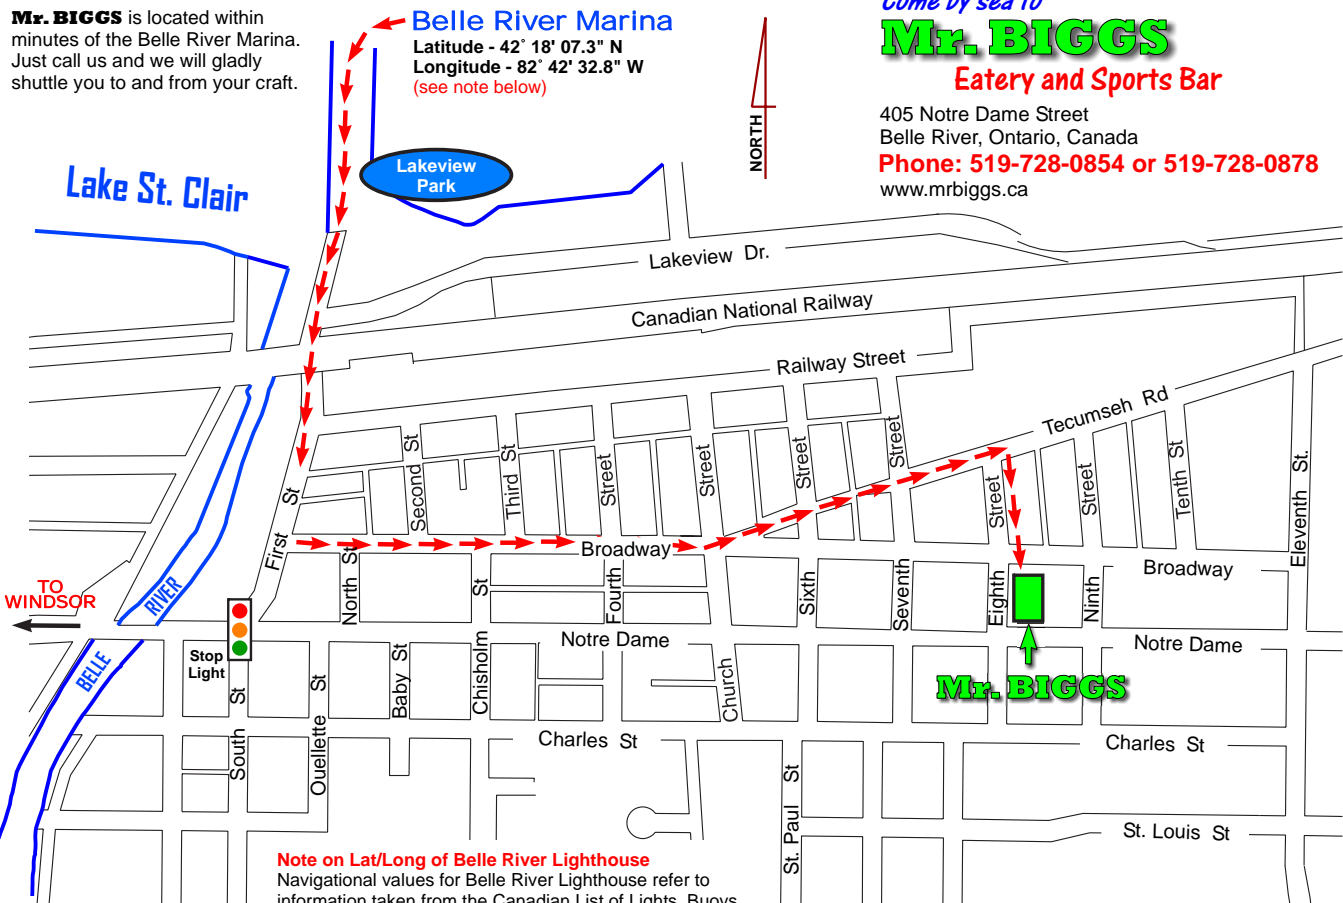

Come by land to
